**Request for Proposal**  
**Southside School District #42**  
**Main Entrance Project**

Date: 02/28/2021  
Project Address: Southside School  
161 SE Collier Road  
Shelton, WA 98584

Southside School District is a small K-7 School in Shelton Washington.

The Southside School District is requesting proposals for construction activities such as demolition, site preparation, remodeling.

**Scope of work:** To control access of school building through remodel of school main entrance:

Installation of a service window to existing wall of current outside main entrance.

Enclose area near main entrance with addition of new doors.

New interior doors with lock control in office.

Replace two beams near gym entrances.

For questions, to schedule a walk through or to submit a proposal please contact:
